

## Spa Etiquette

It is requested that you arrive a minimum of 15-20 minutes prior to your first appointment. This allows us time to familiarize you with our facility, begin the pampering process and allows time for you to shower and steam, sauna and whirlpool prior to services if so desired.

You should plan to bring your own bathing suit. We will provide a robe and slippers that may be worn throughout the entire spa.

It is appropriate to request a male or female therapist at the time of booking your appointment.

We ask that you respect the levels of volume set throughout the facility by using appropriate levels of conversation in the locker room facilities and in spa service areas. It is normal for guests to start relaxing before and after their treatments.

Children under 18 must be accompanied by an adult at all times.

Cancellations must be made 4 hours prior to your scheduled appointment so that we can best accommodate all our guests. Notification will avoid being charged full price for any pre-booked services.
